How to get DTA Messages delivered as Email or SMS

1. Click on the show hidden icons arrow

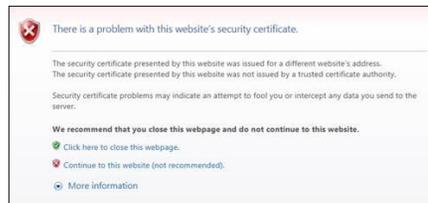

2. Click on the thunder icon

*(If you don't see the icon, restart your PC.
If you still don't see it, call helpdesk 626-3177
and report that you are missing the Desktop
Alert System software on your computer)*

3. Click on Continue to this website (not recommended)

4. Be aware that a pop-up window asking for your credentials might appear, please fill and confirm.

5. Once successfully signed in, the Desktop Alert (DTA) application windows will show up.

The window displays an overview of received DTA messages (active and expired)

6. Click on the green button with your NU user name and select the devices option

7. If you want DTA messages delivered by email to your or your dependents' personal email addresses, add each address and save it by pressing the green "+" button alternate email.

The screenshot shows a mobile application interface for managing SMS settings. At the top, there is a section titled "SMS" with a sub-section "SMS NUMBER". Below this, there is a table with columns for "SMS NUMBER", "CARRIER", and "ORDER". The first row shows a number starting with "3902274880" and a carrier icon for Italy. Below the table, there is a section titled "Alternate Email" with a sub-section "EMAIL ADDRESS". There is a text input field containing the email address "antonio.fulvini@netmail.com" and a green "+" button to the right. At the bottom left, there is a blue "Back" button.

8. If you or your dependents want to receive DTA Messages as a SMS, add each cell phone number and save it by pressing the green "+" button. Be aware that the SMS delivery functionality will be only activated in case of serious alerts.

9. Finally make sure that the notification functionality is enabled for the email or SMS app on your mobile phone. If not, the DTA message will not be pushed and you only see it, once you open the email or SMS app!

10. Now you are set! Whenever the originator of a DTA message considers you to be in the distribution list, you should receive the DTA message to your subscribed email addresses or SMS phone numbers
